Hanover Habitat ReStore Vendor Fair

Mechanicsville, VA – Hanover Habitat for Humanity ReStore will host a Vendor Fair on June 5 from 9:00 a.m. to 2:00 p.m. This shopping event will have a variety of vendors in the ReStore parking lot located at 9159 Atlee Road, Mechanicsville VA 23116.

The ReStore is a nonprofit home improvement store and donation center that sells new and gently used furniture, home accessories, building materials and appliances to the public at a fraction of the retail price. It was established in 2005 to provide a self-sustaining funding source to Hanover Habitat for Humanity. All Habitat for Humanity ReStores are proudly owned and operated by local Habitat for Humanity affiliates, and proceeds are used to build homes, community and hope locally and around the world.

This event kicks off Habitat's campaign to raise funds for a new ReStore box truck. The ReStore truck is typically used daily to service Hanover County. Staff pick up large corporate donations using a 2006 truck with more than 180,000 miles. In addition to valuable pickups from donors, the truck is also used to recover and transport recyclable materials.

As always, proceeds from the ReStore fund their vision to ensure everyone has a decent place to live. Vendor fees and special sale items throughout the ReStore during the June 5 event will go towards the purchase of a new Restore truck.
