

Harvest of hope

Since 1991, Hanover and King William Habitat for Humanity has brought people together to build homes, communities, and hope by addressing the critical need for safe, decent, and affordable housing. This work is only possible through the support of generous individuals, businesses, faith communities, and foundations.

We invite you to support our annual Harvest of Hope Dinner and Fundraiser on **Friday, September 18, 2026**, at **Hanover Vegetable Farm**.

Last year's event raised nearly \$40,000 to support our mission. With your help, we hope to raise \$50,000 this year. Through our homeownership program, we have helped nearly 100 local families achieve the dream of affordable homeownership. With your support, we can continue providing opportunities for more families to build strength, stability, and hope through a place to call home.

Sponsorship opportunities range from \$250 to \$10,000 and include recognition benefits outlined in the attached packet. We also welcome donations for our silent auction, and a donation form is included.

To become a sponsor, simply complete and return the enclosed form to mmccabe@hkwhabitat.org. If you have questions or would like to discuss sponsorship opportunities, please contact me at 804-569-6108 ext. 103.

Thank you for helping us build strength, stability, and hope through affordable housing in Hanover and King William counties.

With gratitude,

Michele McCabe

Director of Development
